- Take I-440E
- Exit I-24E towards Chattanooga
- Take 1<sup>st</sup> Exit onto Briley Parkway
- Turn left at the light off the exit ramp (radar is heavily enforced on this stretch of Briley Parkway)
- Exit Murfreesboro Road & merge right
- After you go through the tunnel under the runway, take your next left (Dell will be on your right). There is a small sign that says, "Hangar 14."
- You will be facing the 118<sup>th</sup> Airwing Division
- Follow the drive to the gate and press the Intercom button for entry
- Park in any available spaces

From Brentwood, you can take the Harding Place exit off of I-65, but there are several lights. Follow Harding all the way to Donelson Pike. Turn left onto Donelson Pike and left onto Murfreesboro Pike. We will be your first right immediately after the light at Dell. If you go under the runway/through the tunnel, you've gone too far.

From the main Nashville Airport/Hermitage/I40: Take the airport/Donelson Rd exit. Stay on Donelson Road past the airport. Turn right onto Murfreesboro Pike. Our drive will be the first right past the light at Dell. If you go under the runway (through the tunnel), you've gone too far.
